Section II - Southern Home

1. If you are not willing to go to the existing Home in Boonton, NJ, would you utilize a Home in the Southern part of New Jersey?
2. In what area should this new Home be located?
3. Should this be a full service facility or something different like a stand alone special service facility? Alzheimer's/Dementia only?
4. What type of care would you like to see us provide at a southern home?
5. If the second Home were closer to you would you more likely use it when needed?

Section III - Additional Services

1. Is anyone interested in having Independent living available at the NJFH?
2. Would you be interested in having Assisted Living facilities at the NJFH?
3. Would Day Care or Short Term Care be utilized by anyone?
4. Should spouses be allowed to enter the NJFH as residents?
5. Would you use physical therapy facilities at the NJFH if the need arises?
6. Do you think that the NJFH should offer an outreach program such as a visiting nurse for homebound firefighters?
7. Do you have any comments about the NJFH providing additional services?

Section IV - General

1. How many firefighters think that they will end up in a Home?
2. Does anyone know of a firefighter already in a facility?
3. Would you share the names with us and the contact information?
4. Does anyone know of firefighters living outside of New Jersey who may already be in facilities?
5. As the NJFH only costs \$ 850.00 per month, do you think that any firefighters already in a facility would move to the NJFH due to the much lower cost?

6. Does anyone know of where we could come up with additional funding sources if the need ever arises?
7. Do you or any other' firefighters have any special needs that would require special services at a Home?
8. If a second Home were not provided, would you like to see a much larger facility at the existing Boonton location?
9. Does anyone have long term care insurance?

Section V - Summary

The Board of Managers of the New Jersey Firemen's Home would like to thank you for all of your help and time in completing this survey. We need your help in finding out what are our future needs at the NJFH. We are here to help you and provide this service to all of the firefighters of New Jersey.

We welcome any and all questions and comments. We will be happy to get back to you with answers in a timely manner. On the next page, please legibly write any questions and or comments. You will need to provide contact information should you like answers to your questions. We will respond back directly to each question.

The results of this survey will be made public prior to the caucuses in the summer 2009 newsletter, and a written statement with the results will also be available.

Thank you again for your help and cooperation in helping us plan for the future needs at the New Jersey Firemen's Home.
